- Shelby (4)
- Central, County (9)
- South, County (16)

Buffer

- 1 Mile Buffer

Roads

- County
- Interstate
- State
- Township
- U.S.
- Other

Note: One mile buffer is an approximation of where the sound may be heard from the sirens. This buffer is not intended to be an accurate representation due to many variables that would be involved at each specific site and the weather conditions at the time of the siren activation. Actual distance could be much longer or shorter.
